Welcome to this beautiful and tastefully upgraded 2021 Heritage Grove home, with over \$100,000 of interior upgrades, as well as \$110,000 of exterior front and backyard professionally-designed landscapes! As you enter, you'll notice the tall ceilings, loads of windows bringing in so much natural light, and the gorgeous upgraded luxury vinyl plank flooring in entire home. Your family gathering space is anchored by the fabulous chef's kitchen with beautiful quartz countertops, enormous center island and top-of-line appliances, coffee bar, large walk-in pantry. The exceptional kitchen space is open to the living room and dining room, making entertaining a breeze. If you work from home, you'll find the perfect office space downstairs with mountain views. Upstairs, the roomy primary retreat is the perfect place to unwind and features a spa-like primary bathroom and fabulous walk-in custom closet. Two large bedrooms and another bathroom, along with the generous laundry room complete the upstairs. You will want to invite everyone over to this amazing backyard!! It features numerous patio areas for all your guests, a stunning cozy built-in fireplace, 2 large DG sideyards, mature landscaping for privacy and so much more! The welcoming front yard is completely fenced and features a tranquil covered porch to take in those views. PAID SOLAR! This newer neighborhood is in a picture-perfect setting surrounded by beautiful hills, sunsets and recreation all around you. Walking trails, community park, sport courts, picnic areas, schools, shopping and restaurants are all close by and you're only 15 minutes from the beach! Welcome Home!
